## KIDNEY TROUBLE CAUSES INTENSE SUFFERING.

Sixteen years ago I was taken sick with Kidney trouble and suffered terribly for three months. I did not work during this time and was mostly confined to the bed. After using other remedies I finally tried a bottle of Swamp-Root. I immediately began to feel better, and after using seven fifty-cent bottles, was entirely cured and have had no Kidney trouble since. I can truly say that I owe my good health to Swamp-Root. You may publish this letter for the benefit of other people afflicted as I was with the hope of bringing to their attention this most wonderful remedy.

Yours very truly,  
HATTIE A. QUIMBY,

# Central Business College, Sedalia, Mo.

WONDERFUL GROWTH OF THIS MARVELOUS SCHOOL.  
STANDS AT THE HEAD OF ALL BUSINESS COLLEGES IN TURNING  
OUT EMINENTLY SUCCESSFUL GRADUATES.

THE LEADING SCHOOL OF AMERICA IN INTRODUCING UP-TO-DATE METHODS.

THE STENOTYPE, A MARVELOUS METHOD OF TAKING DICTATION  
—FIVE HUNDRED FIFTY WORDS PER MINUTE WRITTEN  
BY A SIX-MONTH PUPIL.

HEADQUARTERS FOR THOSE WHO WANT THE BEST.  
YOU SHOULD TAKE A COMBINATION BOOKKEEPING AND  
STENOTYPE COURSE.

WHAT OTHERS HAVE DONE YOU CAN DO.  
PUPILS WHO HAVE NOT ALL THE NECESSARY MONEY WITH  
WHICH TO PAY EXPENSES TAKEN CARE OF.

Central Business College, Sedalia, Missouri, increased from three pupils in attendance thirty years' ago, to over one thousand pupils per year. This marvelous growth is the result of satisfied pupils, who are thoroughly prepared for the highest degree of usefulness, and through the high standing of this school with the business men of America, are placed in high salaried positions. Some of the most successful business men of the United States and Europe received their business training and start from this institution. It can do as much for you.

This school was the first in America to start and successfully conduct rapid calculation classes; the first to start a telegraph department with a principal who had been an active train dispatcher for a number of years on the railroad; the first to introduce the piano method of typewriting, and now has a class of nearly one hundred on the stenotype, a marvelous machine on which the pupil writes from dictation from thirty to forty words per minute from easy matter in three days after he begins the study, and in six months can write from familiar matter from three hundred to five hundred fifty words per minute.

You get a business education but once in life. You want the best, don't you? You should attend the school that from its thoroughness and superior advantages given, has become headquarters for those who want the best—it costs no more, why not have it?

One thousand pupils wanted to take positions as bookkeepers and stenotypists combined. You want a good position at from \$75 to \$150 per month, don't you? You want a position in which you are receiving a rise in salary every year and perhaps every month, which has in sight in the future a salary of from \$15,000 to \$25,000 per year, don't you? You don't think this is impossible, do you? Listen while I tell you what has been done by people who, you would not be willing to acknowledge, had more ability than you have. I took a young man from the farm who had nothing but a common district school education; I graduated him in a combination course; he was soon receiving a high salary and is now doing business for himself at enormous profits. He tours Europe every year, stops at the best hotels in the world and enjoys himself and has the best in the land. This young man started without a single penny and has made his marvelous success on his native talent and the education received in Central Business College, Sedalia, Missouri. You know this didn't happen, but that there was a cause for it, don't you? This is only one of many who have made such successes. You can do the same, can't you?

You won't acknowledge that others are smarter than you are, will you? Come and place yourself under the same environments that they placed themselves under, and you will be astonished at your success. Don't attend any school until you have written C. W. Robbins, Sedalia, Missouri, for catalogue and circulars explaining the Business Department, Shorthand Department, Stenotype Department and Department of Telegraphy.

Full information will be given any one who desires a business education, but finds it impossible to raise all of the money with which to pay his expenses. Address,

*Wm. D. Vaughan* Sedalia, Mo.

### September Term Suits

Suits are beginning to file for the September term of the circuit court. A case is made against Elmer Dodge for felonious assault on one Charles Sullivan. The Sullivan lad's father is the prosecuting witness.

The mandate of the higher court in Spindle vs. Hyde was received here Tuesday. It dismisses the appeal of the plaintiff for failure to perfect the appeal.

Sarah F. Elliott sues Horace L. Elliott for three years farm rent amounting to \$1050, minus credits sufficient to reduce the demand to \$905.21.

Jessie F. Runyon sues Aldina Combs et al. for partition for lots 5, 6, 7 blk 4. S. Marceline and a piece of farm land described by metes and bounds.

John Bixeman files a case for ejectment against F. S. and Joe Reichle. He also asks damages of \$750. He claims title to the se 8-56-17, 100 acres and that Reichles have occupied his property to his detriment.

### Swat The Rooster

"Swat the rooster on May, 15," is the heading in a bulletin issue by the Missouri experiment station, which adds:

"The summer season is coming on and with it the question of the quality of summer eggs. All agree that the 'Swat the Rooster' campaigns conducted in Missouri have done more than any other one thing to improve the quality of summer eggs. 'Swat the Rooster' and sell infertile eggs is the right thing to do. The producer gets more for his eggs, the dealer can afford to handle them with a less per cent of profit, and the customer will have better eggs, which will increased the demand.

### Mob Violence

The Moberly Democrat last week had a big story about the negro shooting at Forest Green in which sensational stuff about mob violence, etc. had a big part. The Democrat said that the negro, McClair was brought to Moberly for safe-keeping to avoid the mob which was preparing to come to Keytesville to lynch him.

### WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grams of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms— which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, and hearing, dizziness irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filter right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

Mrs. Frank Feazell, Second St., Salisbury, Mo., says: "I have used Doan's Kidney Pills for kidney complaint and backache and they have given me fine relief. Consider them a valuable remedy and recommend them highly." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Feazell had.
